

**FIT PATTIES™**  
**ALL-NATURAL CHICKEN & VEGETABLE FROZEN PATTIES**  
**TASTING NOTES**

**HEALTHIER JUST GOT YUMMIER:**

**Fit Patties** are savory, all-natural chicken and vegetable protein blend frozen patties. They are perfect for both individuals and families who want to eat healthy and balance smart nutrition with delicious choices that fit their healthier lifestyles.

**PREPARATION:**

Ready in minutes, Fit Patties are fully cooked and easily prepared on the grill, stovetop or microwave. They are perfect for snacks, lunch, dinner or eating on the go. Additionally, they serve as a yummy ingredient for a variety of recipes from tacos to salads.

**TASTING NOTES:**

Fit Patties are a blend of delicious all-natural chicken, vegetable proteins and sprouted tofu. Currently available in three flavors: Sweet Honey BBQ, Island Teriyaki and Tangy Chipotle.

**NUTRITIONAL INFORMATION:**

Fit Patties have no artificial ingredients, preservatives, antibiotics or added hormones, and are minimally processed. All vegetable protein is non-GMO and chicken utilized are humanely raised and handled, and fed a 100% vegetarian diet. Fit Patties contain 28% less calories, 61% less fat and 33% more protein (17 grams) than regular chicken patties.

**PACKAGING / PRICING:**

Four frozen Fit Patties are included in each 10-ounce package. Suggested retail price is \$6.99 - \$7.99 (prices may vary depending on location).

**AVAILABILITY:**

Fit Patties are available at Whole Foods Markets, and Albertsons, and rolling out nationally this year.
