

MONTEREY GOURMET FOODS™ TASTING NOTES

BRING THE WORLD TO YOUR TABLE:

Monterey Gourmet Foods is a line of fresh, all-natural pasta meals. From Italian pastas to authentic, internationally inspired dumplings, pierogi and other favorite fresh dough inspirations, Monterey Gourmet Foods offers both traditional and new pasta experiences to satisfy everyone at the table.

TASTING NOTES:

A highlight of the Monterey Gourmet Foods product line is the Fresh Spinach & Cheese Ravioli, which comes with the **Rooted in Freshness™ seal**. This seal promises the spinach used is straight from the farm – 7-10 days after harvest – to ensure the freshest spinach possible (never frozen or blanched). Other products include their internationally-inspired Discovery line of pastas, along with traditional items such as the Five Cheese Ravioli, Potato & Cheese Pierogi and Tortellini.

NUTRITIONAL INFORMATION:

Monterey Gourmet Foods' recipes start with the highest quality ingredients with its food production meeting and exceeding the industry's regulatory standard. As with all Pulmuone products, Monterey Gourmet Foods adheres to the company's strict Natural Principles with no artificial preservatives, colors, flavors and sweeteners, MSGs, hydrogenated oils, or irradiated ingredients used. Monterey Gourmet Foods also is dedicated to using dairy, meat, poultry and eggs that are free from synthetic hormones, and strives to continuously use non-GMO ingredients.
