

## **PULMUONE FOODS USA**

### **FACT SHEET**

#### **AUTHENTIC WHOLESOME FOODS:**

**Pulmuone Foods USA** is committed to providing authentic wholesome foods featuring the highest quality, all-natural ingredients. Pulmuone Foods USA is a subsidiary of Pulmuone, a Korea-based parent company, which is one of the largest food companies in Korea and was an early developer of natural, organic products before it was a buzz word.

#### **BRANDS:**

Pulmuone Foods USA's portfolio includes the Wildwood, Monterey Gourmet Foods, Fit Patties, Cibo Naturals and Emerald Valley Organic brands.

#### **NUTRITIONAL INFORMATION:**

All Pulmuone products adhere to strict genuinely Natural Principles, which is a commitment to ensuring the highest standards of safety and nutritional quality. This requires that all ingredients be free of artificial preservatives, colors, sweeteners and common toxins. The company is also dedicated to using dairy, meat, poultry and eggs that are free from synthetic hormones and strives to continuously use non-GMO ingredients.

#### **LOCATIONS:**

Corporate headquarters are located in Fullerton, California with manufacturing enterprises in California and New York.

#### **AVAILABILITY:**

Various brand products are located at major retailers across the country (availability varies by brand).
